

COVID-19 / UPDATE

The health and well-being of our valued patrons and staff is our paramount concern.

We are working under a Government approved Industry COVID Safe plan and we are required to implement certain screening and safety procedures.

We are committed to keeping you healthy and safe, but we cannot guarantee you will not be exposed to COVID-19. We rely on you to protect yourself too.

If you or any member of your party or family is not feeling well, please do not visit us today. Plan to come when everyone is well.

We are not permitted to allow you into Infinity if you have any of the following symptoms: cough or sneezing, fatigue, shortness of breath or difficulty breathing, fever 37.5 Celsius degrees or higher, repeated shaking with chills, muscle pain, headache, sore throat, a new loss of taste or smell.

If you have been in close contact with an infected person, have tested positive yourself or have travelled overseas in the past 14 days, we are not permitted to allow you to enter.

Government recommendations are that "at risk" or vulnerable people should be extra vigilant and consider whether they should remain at home. If you come to Infinity, please take your own additional safety precautions as we will be unable to guarantee your safety.

Screening processes are in operation, including temperature checking. We are required to ask you:

- for personal information for Govt COVID tracking purposes and to use alcohol-based hand sanitiser before and after your Infinity experience
- to observe social distancing
- if you or someone you are close to have tested positive for COVID-19 or if you have returned from overseas within the last 14 days

Please buy tickets online or pay by card for contactless payment

Please do not bring excess bags of personal belongings with you; leave them in your car or at home

If you feel ill at Infinity, please tell a staff member immediately

We apologize for the delay and inconvenience that these safety procedures will cause and ask you to be patient with our staff.

The Fun Never Ends at INFINITY
